A San Antonio man was arrested Tuesday evening after he admitted to molesting a 12-year-old girl at a Southwest Side church earlier this year.

Ramon Sanchez, 73, was charged with one count of indecency with a child by contact and was set to be booked into the Bexar County Jail. Bail was set at \$75,000.

The alleged incident occurred on Jan. 10 at the Kingdom Hall of Jehovah's Witnesses at 319 Price Ave., which both individuals attend. Sanchez offered the girl money and told her to meet him near the bathrooms, an arrest affidavit states. The unidentified girl then met him outside the restroom area, where Sanchez kissed her on the head, fondled her, gave her \$20 and returned to the church, according to the affidavit.

When police interviewed Sanchez about the incident, he admitted to the acts, telling them it was a moment of weakness and that he didn't have time to pray before the incident but prayed for forgiveness afterward, the affidavit states.
